How Near Is God?

Psalm 10:1-11

As we read the Book of Psalms, we find that David was constantly in and out of trouble. Some people say that Christians who really love the Lord will never be in difficult places. But that wasn't true of Moses, it wasn't true of David, and it certainly wasn't true of our Lord Jesus Christ!

Our Lord ended up in the most difficult place of all crucified on a Roman cross.

Listen to David: "Why do You stand afar off, O LORD? Why do You hide Yourself in times of trouble?" (v.1). Here are those questions once again: "Why, Lord? Where are You?" Why do we think God is far away from us? What makes us think God has deserted us? First, we know that God is everywhere. Second, He has promised not to forsake us. (Hebrews 13:5). David only felt as if God were far away.

That's a good lesson for us to learn. Don't base your judgments only on your feelings. Build your life on faith. Faith says, "I'm going to trust God no matter what I see, no matter what I think and no matter how I feel." Faith does not mean we are ignorant. It means we are walking in the will of God because we know the Word of God.

When it seems as if God is far away, remind yourself that He is near. Nearness is not a matter of geography. God is everywhere. Nearness is likeness. The more we become like the Lord, the nearer He is to us.
